

## Lancia Montecarlo, Scorpion & 037 Registry.

The updated list of all known cars. If you have or know the serial number of a car that is not on this list or have missing information, please give me all the relevant information so that I can update the registry.

If you are a (new) owner of a known car, please contact me to update the information about your car.

Serial numbers,  
VIN

**(037 Rally: 12.1980 - 01.1984, total 220 cars)**

**(Group 5: 1979 - 1981, total 11 cars)**

The 037 VIN begins with ZLA151AR000000\*\*\*, the Group 5 has only \*\*\*\*.

**Be aware that these two special models are sometimes offered for sale as original, but they are not! Some cars even became 'clones' so beware.**

February 2014: **184** known cars ( +4 ), and some updates in details.

**Any photos with a readable registration number are most welcome for identifying!**
